Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner contacted Applicant's representative to ask permission to cancel the claims whose rejections were affirmed by the Board. Thus, Examiner can allow the claims whose rejections were reversed by the Board. Applicant's representative stated that Applicants did not wish to prosecute the application any further. Examiner therefore stated that he would simply follow the guidelines set forth in the MPEP for allowing an appealed case that had been affirmed in part. Examiner notes that the controlling section of the MPEP is section 1214.06(II).
